We also want to emphasize that 28.730 MHz is our calling frequency. Please monitor and/or call your friends. 7:00 PM is a good time.

# Long-Delayed Echoes

Hello All SARC Members and Alumni:

On April 23, 1946 our club was founded at a meeting that was held at 160 Scarboro Crescent in the area of Midland Avenue and Kingston Road.

Originally the Club name was (note the spelling) Scarboro Amateur Radio Club and some time later changed the spelling to Scarborough Amateur Radio Club to conform to the change when the municipality changed the spelling officially to Scarborough.

HAPPY 67th BIRTHDAY TO SCARBOROUGH AMATEUR RADIO CLUB INCORPORATED and to all its members and past members.

As you can see, the Club changed its name once again in July, 1977 when it became Incorporated under Ontario Laws and remains so to the present day.

The scan this Month is from XTAL magazine the official organ of the Canadian Amateur Radio Operators' Association, a.k.a. CAROA, and contains an advertisement for SARC's 2nd ANNUAL BANQUET. Check out all the features on offer for January 24, 1948. What were you doing on that day I wonder. HI.

Hope your Field Day plans are well advanced and all the best until next Month.

73 de Gord, VE3CNA
